PRESENTATION

RAINLOOK[®] S.A.S. is a Colombian company that designs, produces and markets rain protection products.

Our products offer the consumer all the options of functionality and elegance currently available.

Created in 2007, our products are marketed in the local market through the ÉXITO chain of stores and the most important marketplaces in the country: exito.com, carulla.com, mercadolibre.com and Amazon in the United States.

From the very moment of its creation, **RAINLOOK[®] S.A.S.** has been recognized as a leading brand in the rain accessories sector.

As an immediate goal to consolidate our position, we have set ourselves the goal of developing new and innovative products that will be available in the market soon.

We have also initiated our international expansion plan with the collaboration of important companies in the sector in the United States, Europe and Latin America.

RAIN BONNETS

- Novel accessories to protect your hairstyle and makeup against the rain. With pull-out visor.
- Our accessories require minimum space and are light enough to carry easily.
- Our designs are fashionable.
- Packed in practical easy open packets.
- Bonnets allow freedom of movement and do not require being held by the hand.
- The quality of the raw materials is rigorously controlled and our suppliers are certified by ISO standards.
- They offer an alternative for esthetic hair and make-up care in the rain.
- Its visor makes it possible to preserve make-up, another permanent concern of ladies.
- Quick drying.
- Available in various colors and one size fits all.

RAINCOATS

Ergonomic and safe design, they cover hair and clothing, providing protection against the cold in rainy seasons.

Easy to carry and use, lightweight, flexible and quick-drying.

Full coverage including bags or backpacks, reducing the possibility of theft.

Elegant design, compatible with casual suit.

Important accessory for use by cyclists, walkers and other athletes.

They are very popular among motorcycle riders due to their low weight, absence of unpleasant odors and ease of dressing.

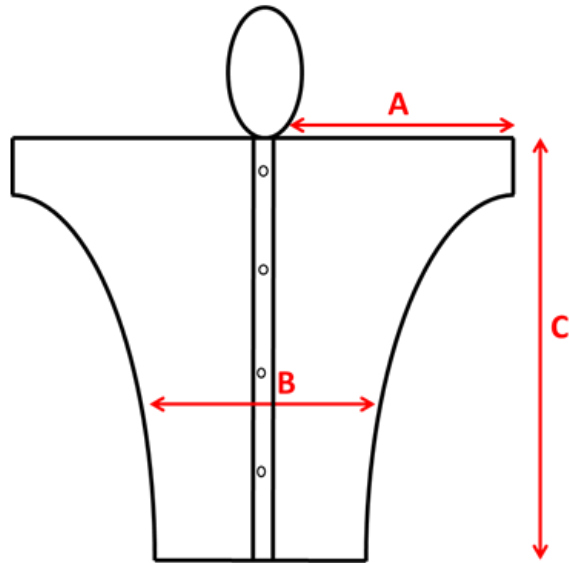

Made of low crystallinity material, ensuring its impeccable presentation over time.

Accessory with batwing sleeves that allow total freedom of movement and maneuverability.

Material with high technical quality standards, high thermal insulation, high resistance to deterioration and to atmospheric, biological and chemical agents.

Available in sizes S, M, L and XL for Adults and sizes 8, 10 and 12 for Children in various colors.
